Announcements

- Continuing & Graduating House Staff
  - By the end of October, each program director & coordinator will receive an email from GME containing their list of existing house staff.
  - Programs are to review, update and return their signed forms to GME by 12-2-19.
  - GME will terminate & print certificates based on the data provided on the Continuing & Graduation form.
  - Kindly provide complete & accurate program name/s and appointment end dates.
  - Remember trainees graduating from your program but starting with another Stanford program are considered to be continuing & NOT new house staff, so their appointment information needs to be added to the continuing & graduating form as well as on a Transfer Form.
